PROFESSIONAL EXPERIENCE

Product Head - Impacteers, Genrichers Innovations Pvt. Ltd., Bengaluru Jan 2026 - Present

- Owned product strategy and roadmap for Jobs, Courses, and Mentorship pods, aligning product priorities to lifecycle needs across learning, hiring, and career progression for 150,000+ users.
- Reduced feature bloat by ~30% by tightening prioritization and execution, improving development efficiency and time-to-market.
- Built the Mentorship product from 0-1 by defining niche, problem statement, target users, and core onboarding journeys for mentees and mentors.

Product Owner (GCS) - Drone Ecosystem Hub, Mumbai Jul 2024 - Dec 2025

- Defined product vision, strategy, and roadmap for a ground control station platform, translating customer needs into PRDs, user stories, and acceptance criteria.
- Shipped the MVP within 6 months with engineering, design, and research; improved release velocity by ~30% and sprint predictability by 25%.
- Led discovery through user interviews, usability testing, and prototyping; improved activation by 25-35%, reduced funnel drop-offs by 15-25%, and increased mentorship booking conversion by ~2x through UX and flow redesign.
- Built dashboards and weekly review rhythms to track conversion, CAC, LTV, retention, completion, and bookings; improved decision turnaround by ~40%.

Vice President - Products, Indrones Solutions Pvt. Ltd., Mumbai Dec 2022 - Jun 2024

- Led AI-integrated drone product strategy, expanding defense and enterprise adoption by 2.3x and increasing qualified pipeline value by ~40%.
- Owned features, user stories, and release cycles across 5+ platform modules, improving sprint velocity by ~25% and reducing release defects by ~18%.
- Drove GTM alignment across product, sales, and marketing, shortening deal closure cycles by ~22% and improving demo-to-conversion by ~30%.
- Applied competitive benchmarking, pricing analysis, and prioritization frameworks to improve win rates, adoption, and planning speed.

Product owner & co-founder (Acquired) , Yose Wellness Pvt. Ltd., Mumbai May 2016 - Jan 2022

- Built a digital-first consumer health-tech brand from 0 to 100,000+ units sold.
- Led product design, market research, digital marketing, and fundraising.

- Secured media coverage from YourStory and Livemint and completed a strategic exit.

Consultant, Capgemini India Pvt. Ltd., Mumbai

Mar 2015 - Apr 2016

- Managed digital transformation projects for enterprise clients, optimizing delivery pipelines and reducing process overheads by ~20%.

Product owner & co-founder, TheBlueJobs, Mumbai

Nov 2014 - Feb 2016

- Built a B2B2C SaaS platform for blue-collar workforce management adopted by 8+ enterprise clients.
- Conducted user interviews, prototype testing, and funnel analysis to improve onboarding conversion by 40%.
- Established data pipelines and retention metrics for continuous product optimization.

Software Developer, Atos India Pvt. Ltd., Mumbai

Nov 2012 - Mar 2015

- Designed and maintained enterprise Java and SQL applications serving 50K+ internal users.
- Automated QA and reporting workflows, reducing test-cycle time by 25%.

EDUCATION

Bachelor of Engineering - Computer Science & Engg

Aug 2009 - May 2012

University of Mumbai
