

EDUCATION

Podar International School (ICSE), Aurangabad

Class X - ICSE, CGPA: 9.48/10

Aurangabad, MH

Jul 2018 - Jul 2019

M.P. Junior College, Pune

Class XII - HSC, CGPA: 8.87/10

Pune, MH

Jun 2020 - Jul 2021

Birla Institute of Technology and Science (BITS) Pilani - Pilani Campus

Bachelor of Engineering, Mechanical Engineering, CGPA: 6.57/10

Pilani, RJ

Expected May 2026

Relevant Courses: MF F421 - Supply Chain Management, HSS F323 - Organizational Psychology, FIN F354 - Derivatives and Risk Management, CS F111 - Computer Programming, EEE F411 - Internet of Things, ME F434 - Digital Twins in Mechanical Engineering

Technical Proficiency: SQL, MS Excel, Python, Figma, JIRA, Generative Artificial Intelligence, HTML + CSS, Flask, C++, Java, API

WORK EXPERIENCE

Swiggy Ltd.

Product Intern, CEO's Office

Bengaluru, KA

Jul 2025 - Jan 2026

- Leading the product lifecycle for Gen-AI initiatives across **marketing** and **business**; rapid prototyping to ship experimental features.
- Defined roadmap for the new Catering (**\$5.1Bn, 6% CAGR**) and Corporate Events (**\$3.7Bn, 12% CAGR**).
- Defined supply prioritization for Swiggy Scenes using a mathematical recommendation model, reduced manual research time by **80%**.

Central Institute of Road Transport (CIRT)

Project Management Intern

Pune, MH

May 2024 - Jul 2024

- Design and FEA Analysis** of a four-wheeler steering lock testing rig with manufacturing plans and timelines.
- Led a team of **4** to design a testing rig in **Fusion 360**, analyze parts in **SolidWorks**, and automate the process using **Arduino Mega**.
- Coordinated with cross-functional teams to align design and development with project goals with **100%** compliance to **AIS Standards**.

PROJECTS

audioleap.ai - LLM/Audio Engineering

Mar 2025 - Present

- Developing an AI audio platform for enterprises, creators, and schools, enabling end-to-end production and interactive audiobooks.
- Working with **Flask-CORS**, **OpenAI Python SDK**, **pytorch** modules, **pydub**, OpenAI gpt-4o-mini and **tts-1, faster-whisper**.
- Leading a core team of **3**, managed **SDLC** from ideation to building an **MVP**, and preparing a **GTM** for a soft launch

Wear and failure analysis of a wind turbine bearing using digital twins - IoT/ML

Apr 2025 - May 2025

- Developed a digital twin to predict equipment failure, analyzing **10k+** sensor data points, to transition to adaptive maintenance.
- Conducted predictive failure analysis using advanced mathematical modeling, identifying equipment failures with **~90%** accuracy.
- Delivered a functional prototype capable of providing real-time feedback; reduced potential downtime by **~25%**.

strangr.com - Social Media Platform

Aug 2025 - Present

- Developed a product vision for **Strangr.com**, addressing adult loneliness with personality matching, targeting a SOM of **~50M** users
- Designed wireframes and user flows to visualize the end-user experience, defined core features focused on real-world connections.
- Created an initial pitch deck, and a product requirements document, along with a product timeline to boost this project.

ACTIVITIES

Freelance

Remote

Video Editor

Dec 2022 - Jul 2024

- Led a content team serving **25+** global clients for **1.5 years**, managing lead pipelines and driving revenue growth.
- Executed content strategies to scale personal brand (@vivek-patil-pm) to monthly views. Started a new podcast (@builtforbharat) from scratch.
- Leveraged Adobe Premiere Pro, After Effects, and DaVinci Resolve for high-quality visual storytelling and production

Film Making Club - BITS Pilani

Coordinator of Live Events and Publicity, Oasis 2024

Pilani, RJ

Jul 2024 - May 2025

- Responsible for all shoots during Oasis 2024, managed a team of 30+ videographers, scriptwriters, agencies.
- Written, directed, and edited the Oasis 2024 curtain raiser.
- Led the editing team for Oasis 2024 after-movie, and released a polished and professional video for the official fest page.

AWARDS AND RECOGNITION

NTSE Scholar - NCERT

Nov 2019

- Received the award of scholarship letter from **National Talent Search Scheme** under NCERT.
- Cleared both level I and level II examinations with under **1500 AIR**.
- Awarded a monthly scholarship of **INR 2000** under the National Talent Search Scheme.
