## PROFESSIONAL SUMMARY

Product Manager with 3 years in product, preceded by 2 years running operations for a D2C food brand I co-founded. Owned manufacturing coordination, supplier relationships, and order fulfilment end to end — not from a desk. The brand was acquired in 2021. Looking to bring operational instincts into a more complex supply chain environment.

## WORK EXPERIENCE

### Associate Product Manager → Product Manager

*Meesho (Marketplace & Seller Products, 1000+ employees), Bengaluru · Mar 2022 – Present*

- PM for the seller onboarding and catalogue management product area — 800,000+ active sellers on the platform
- Led redesign of the seller product listing flow; reduced time-to-first-product-live from 4 days to 11 hours through streamlined validation rules and guided entry flows
- Shipped a bulk catalogue upload feature that reduced support tickets from sellers by 40% in 60 days; iterated 3 times in the first month based on seller feedback before stabilising
- Reports to PM Lead; owns feature discovery and spec, co-owns delivery priority decisions
- Conducts quarterly seller listening sessions — 15 calls per quarter with sellers of different sizes and categories to understand evolving pain points

### Co-Founder & Operations Lead

*FreshCircle Foods (D2C Health Foods), Delhi NCR · Jan 2019 – Feb 2021*

- Co-founded a D2C health food brand; owned manufacturing coordination, procurement, packaging, and fulfilment across 3 product lines
- Managed relationships with 6 contract manufacturers and 4 packaging vendors — handled quality disputes, lead time negotiations, and last-minute reformulations
- Built order fulfilment process from scratch — handled 120–180 orders monthly at peak through a combination of in-house packing and third-party logistics partnerships
- Brand acquired by a larger D2C aggregator in February 2021; stayed through the transition for 3 months to complete supplier and ops handover
